Professional Experience

LPL Financial UX Designer

OCTOBER 2022 – PRESENT REMOTE

Works in a team of 7 UX Designers focused on LPL's investor-facing web application and mobile app called Account View. (*Images seen during interview/case study presentation.*)

Meets regularly with Product Owners and UX Researchers to ensure web and app design deliverables meet business requirements, compliance checks, accessibility standards, and follows brand guidelines.

Writes and conducts various types of user research on UserTesting.com to validate workflows and/or preferences to gain deeper understanding of user expectations.

Contributes to design discussions with 3 other Product Experience Design teams in weekly design review meetings.

LoanLogics, Inc. UX/UI Designer

JANUARY 2014 - SEPTEMBER 2022 JACKSONVILLE, FL

Responsible for creating low and high fidelity designs throughout the SDLC process (research, testing, wireframing, prototyping and more).

Collaborated closely with Product Managers, BA's, TDM's, and other stakeholders to ensure business and product requirements satisfaction.

Managed a small design team's workload and deadlines, as well as sometimes jumping into the code to tweak the CSS for the developers.
